

Nursing Faculty Positions 2018-2019

Notre Dame College of Ohio is a Catholic institution in the tradition of the Sisters of Notre Dame educating a diverse population in the liberal arts for personal, professional and global responsibility. The Division of Nursing shares in the College's commitment to human dignity, concern for social justice in contemporary society and the pursuit of excellence as it educates nurse leaders for practice in the 21st century. The Division of Nursing offers: a CCNE accredited basic pre-licensure Baccalaureate program, a post-licensure RN/BSN program and a graduate program offering an MSN specializing in Nursing Education. The post-licensure programs are offered online. The site visit for the initial accreditation of the graduate program was held in October, 2017.

The Division of Nursing invites full-time faculty applicants with expertise in Adult Health, Medical/Surgical Nursing for appointments beginning in the Fall of 2018 semester. Faculty are expected to demonstrate a commitment to excellence in Nursing and to best practices in nursing education; assume teaching and faculty related responsibilities for programs based on qualifying credentials, and contribute to the faculty governance of the Division and the life of the College.

Notre Dame College is a non-tenure system that supports excellence in teaching, scholarship and community service.

Required: Master's degree in nursing and 5 years clinical experience required. The candidate must hold an unencumbered RN license and be eligible for licensure in Ohio.

Preferred: Doctoral degree in nursing or closely related field and prior teaching experience in baccalaureate nursing program.

Scholars in the human science, caring and critical social traditions of the discipline are encouraged to apply.

The Division of Nursing seeks excellence through inclusivity and invites members of underrepresented groups to apply.
